PRESIDENT'S MESSAGE

Best Wishes of the New Year. Our Alberta winter has officially arrived! It will stay for a while, so you might consider a visit to the inside warmth of our museum. Our new special exhibit **TO SERVE & PROTECT** runs from February 1 to March 31 and highlights our local RCMP, Firefighters and Emergency Medical Technicians. Join us on February 26th to view our two new **TO SERVE & PROTECT** vignettes. Work continues on the scripting and filming of the other exhibit vignettes.

We are privileged to be the recipients of a significant private donation to the Museum from Reg and Jean Marler. This generous donation is greatly appreciated!

Volunteers are an essential resource critical to the success of your community Museum. We need you to share your expertise and unique abilities. Your skills will contribute to the growth and success of your Museum. Serving on our board or one of our committees is a great way to achieve a sense of value as you contribute your time to help preserve the history and heritage of Strathcona County. If you, or someone you know, would be interested in sharing our community history and volunteering at the Museum, have them contact our Manager/Curator Starr Hanson.

Don't forget to mark your calendar for the Member and Volunteer Appreciation Night and silent auction for March 2nd!
