

History of Sport on Display at the Museum

[August 20, Sherwood Park] - - Strathcona County Museum & Archives is proud to announce their latest special exhibit; *Let the Games Begin: We are Never too Old* features the history of sport in Strathcona County as we celebrate the Canada 55+ Games coming to our own backyard.

This exhibit features equipment, uniforms, photographs and memorabilia from long-time sport favourites such as hockey, baseball, swimming and curling. Discover how some sports equipment has changed over time with artifacts and team photos from the early 1900s. Once you have gone through the exhibit, feel free to stay awhile and try your hand at bridge or cribbage; just two of the many sports and activities that are part of the Canada 55+ Games.

The Museum will also be hosting a special Come and Go Coffee event on August 27 from 10 a.m. to 4 p.m. with admission by donation in celebration of the Games. All participants, non-participants and the general public are welcome at this event.

Dedicated Museum volunteers created this exhibit, for which their hours of research and organization cannot go unnoticed. *Let the Games Begin* is on display until September 30. The Museum is open Monday to Friday, 10 a.m. to 4 p.m.
